

Holiday message

Next Friday summer holiday starts for the kids. No sports or music lessons, enjoying many activities, going on vacation. Getting to the beach or pool. To ensure that the kids know where you are in the pool or on the beach you can make the beach wiser. Choose a nice image, print on A4 format. Even sealing and fastening on a long stick. Put it in the grass or sand and the kids have a landmark where mom and dad are.

Over six weeks I will start again with new cool blog posts.

Looking for delicious recipes to try with the kids or fun DIY projects to do. Please check the blog posts of last year on the site www.shabbykids.nl

I wish you all a great summer and I will be back at the end of August!

Greetings,

Krista Brockbernd
